## Welcome to OUR LADY of GRACE!

Welcome to all members and visitors who are joining us for the celebration of the Eucharist.

If you have been away from the Church for a little while or for quite some time, but now feel a tug at your heart calling you back to the Catholic Church, welcome home!

If you feel drawn to the Catholic Church yet come from another faith tradition - or have no faith experience at all - we are glad you are here!

The Catholic Church has been teaching truth since she was founded by Christ over 2,000 years ago. We invite you to enrich your life through joining our parish family. In addition to our liturgies there are many ministries and service groups that help you to build friendships and serve our parish along with the greater community. We also offer life-long learning through our many faith formation opportunities for children and adults.

For baptized Catholics needing to complete their Sacraments of Initiation please contact our Director of Catechetical Ministry, Lissa Hutcheson, at (619) 466-5656. For those interested in joining the Catholic Church, please contact Deacon John Sawaya at (858) 869-5079. You can also contact them by using the "Contact us" link at [olg-church.org](http://olg-church.org).

**Allergies**

The first morning Mass of the Sunday or holy day will always be incense-free. The Sunday 11:00 am Mass will almost always include the use of incense.

**Mindfulness of Others**

Please silence all devices and refrain from using them during the liturgy so to avoid distracting those around you.

## Twenty-second Sunday in Ordinary Time

### Mass readings:

**Heb 12:18-19, 22-24a**

**Lk 14:1, 7-14**

**GROW:** Pope St. John XXIII, one of the most influential figures of the 20th century, had a wonderful sense of humor. In stories recalled by Fr. Greg Friedman, OFM, Good Pope John would say, "God knew from all eternity I was going to be pope. Couldn't God have made me more handsome?" He also had a deep devotion to St. Joseph. In his writings, he talks about the humble and overlooked role that Joseph played in the life of Christ. He promoted an increased devotion to the humble, loyal saint who stayed quietly in the background and provided a home for Christ and his mother. St. Joseph is a model for the humility that our readings speak of today. Being humble doesn't mean being embarrassed or ashamed of the talents and abilities we have. It means acknowledging that these are gifts from God. God does not give us these

gifts so we can place ourselves above others, as Jesus observed people doing at the home of the Pharisee. They are to be

used to glorify God. By being humble, we "will be loved more than a giver of gifts ... and find favor with God."

**GO:** I always remember what I was told in a volunteer training when prepar-

ing to serve hospice patients and their families: sit at eye level or lower when meeting with the patient or their family members. Being "at the same level" not only "lifted up" the patient but also brought the volunteer "down" to their level. This not only made listening easier and showed respect for the dignity of the patient; it also helped the volunteer see things from the patient's perspective. Jesus tells us in the Gospel today that being his disciples is not about elevating ourselves, but about lowering ourselves. He calls us to invite, welcome, and accept those who are least able to repay us. When we forget about ourselves and our place in the world and instead lift up others, he tells us we "will be repaid at the resurrection of the righteous."

**ACT:** One of the greatest acts of humility is to acknowledge when we are wrong, apologize, and ask forgiveness. Is there someone you can reconcile with by admitting you were wrong? Allowing God to forgive you in the sacrament of reconciliation will help you grow in humility.

*Written by The Faithful Disciple*

**Man:** What is a million years like to you?

**God:** Like one second.

**Man:** What is a million dollars like to you?

**God:** Like one penny.

**Man:** Can I have a penny?

**God:** Just a second.

## A Steward's Growing Pains

**H**ave you ever written a check or seen the charge on the credit card machine that had far too many zeros on it for your comfort?

The brakes finally give up on the car you were hoping to nurse through the season. The water heater dies on the coldest week of the year. A medical procedure wasn't totally covered by insurance. We've all been here in this place, being asked to part with a not-so-small sum of money for a not-so-fun reason.

It's a little easier to bear when you're forking over dollar signs for a fun vacation or even a worthy cause like your child's education. But when it's something you weren't expecting, something negative, that uneasiness in the pit of your stomach can quickly become despair.

The next time this happens to you, embrace it. Celebrate it. Wrap your arms around it and welcome it as a growing pain.

We are often asked, in life, to give more than we wish. Our loved ones demand greater patience than we think we have. Our prayer life is stalling, and we feel God isn't holding up His end of the communication bargain. The daily grind seems to be grinding us down. We feel that uneasiness in the pit of our stomach, just as we do when we part with money we thought belonged solely to us.

That place of uncertainty propels us in life, in stewardship, in relationship. All forward motion comes from that feeling. Put out your hands and let yourself be thrust into the pit — He will stoop to take you out from the mud. Spread your arms on your cross — joy is waiting for you.

—Tracy Earl Welliver, MTS ©Lpi
