Welcome to OUR LADY of GRACE!

Welcome to all who are joining us for the celebration of the Eucharist. There are many ways and parish organizations to participate in our life in Christ. See the directory on page 7.

We invite all who attend OLG to become registered members of our parish. Registration forms are available on the table in the main entry of the church or the parish office. Registration allows us to communicate and effectively provide for your needs. It is necessary for baptism, marriage, and godparent or sponsor certification.

Mindfulness of Others—Please silence all devices and refrain from using them during the liturgy. The parish has a Children's Chapel located in the northwest corner of the church. Parents with restless children are welcome to make use of this chapel at any time during Mass should it be necessary. We ask that this chapel, like the church itself, remain free of food and drink.

Allergies—The first morning Mass of the Sunday or holy day will always be incense-free. The Sunday 11:00 am Mass will often include the use of incense.

Invitation to the R.C.I.A.

Our Lady of Grace Parish welcomes all who seek to enrich their faith life and explore the possibility of becoming a Catholic Christian. Our community shares and celebrates this journey with them through a process called "*The Rite of Christian Initiation of Adults*." If you are curious about what Catholics believe and may be interested in learning more about joining the Catholic faith—or perhaps you are an adult Catholic looking to be fully initiated—you are cordially invited to enter the

R.C.I.A. process and experience a new and enriched meaning to your life through renewed faith and love. Please contact Deacon John Sawaya at (858) 869-5079 or use the "Contact us" link on the parish webpage.

We love having you as part of our flock! Get updates about Masses and parish life via email or text!

Sign up! Visit olg-church.org and scroll to the blue and white sheep.

Public Mass Update

Bishop McElroy has approved the celebration of Mass indoors. We now have a "hybrid" of indoor and outdoor Masses. Outdoor Mass will be moved indoors during inclement weather. This schedule is considered temporary and may change at any time. Visit olg-church.org for current info.

When Mass is celebrated outside in front of the church, bring a blanket or lawn chair to sit on. At all Masses face coverings are required, as is physical distancing. Our Ambassadors will be present to assist you.

The obligation to attend Mass on Sundays and holy days of obligation continues to be dispensed by Bishop McElroy.

GROW: While leprosy as found in Biblical times is now rare and very treatable, it is not hard to imagine the tragic consequences it had on those who were affected. They suffered physically, but also socially and emotionally: Levitical priests declared lepers unclean, banishing them from the religious community. Jesus, as he did so often, would upend these conventions in his encounter with the leper in today's Gospel. "Moved with pity," Jesus healed him, telling him to return to the local priest for readmittance to the community. Jesus' model of compassion for the man is meant for us to embody. Modern culture continues to stigmatize people perceived as different – those suffering from depression and other mental illnesses, the homeless, perhaps those who struggle with cognitive disabilities – shunning them in different ways from full participation in community. To imitate Christ, as Paul alludes, is to have compassion for the needs of

others – to "be moved with pity." Let us pray for the grace to put on the mind and heart of Christ, and dignify the presence of all our brothers and sisters in our community.

GO: I admit I was taken aback by today's Old Testament reading: Not only were lepers banished from the religious community, but they had to announce themselves by crying out "Unclean, unclean!" Jesus

changed all that. He healed the leper, encouraging him to return to the priest for readmittance. I am struck by how the leper approached Jesus. He did not demand a cure, but asked, "If you wish, you can make me clean." Although it is unlikely that any of us in the developed world will experience leprosy, we ourselves or people we know may carry inner struggles that have led to separation from the Church or a sense of isolation. In our humanity, we do not have the power to heal these maladies on our own. Instead, let us come to Jesus as the leper does, asking him, if he wills it, to heal us and our wounded world. Let us pray with confidence, knowing that Jesus in his compassion can and will make us clean and whole.

REFLECT: Who are today's lepers? What are the inner struggles or wounds that may keep us from fully participating in our parish community or have left us estranged from members of our own family? Bring these before Jesus in your own words. Call a family member you have fallen out of touch with. Invite a person who has left the Church to lunch and listen with compassion.

Substance Abuse Addiction Help Resources

There are many barriers that discourage people from getting the help they need to overcome substance abuse disorders and cost is a significant factor.

Help.org is a group of medical professionals who, through conversations with addiction experts across the US, created a guide that provides comprehensive information of topics like available care options, financial support and free resources that are available in California.

**HELP
- ORG**

In today's digital world, do we really need to be face-to-face with a priest to confess our sins? Would facetime or Zoom ever be allowed?

The question of whether or not Catholics can celebrate the Sacrament of Reconciliation virtually (via social media, by phone, or some other way) is a question that has actually been around for several years. The recent COVID-19 pandemic brought the question back in a new way, especially as many parishes were forced to introduce a sort of "social distance" confession, with the sacrament being celebrated outdoors.

In reflecting on this question, however, there are a couple of points that we

want to keep in mind. First, as the Code of Canon Law observes in different places, the faithful have a right to the sacraments of the Church and the Church's ministers have a responsibility to make them accessible. At the same time, however, we always have to be sure that we respect the nature of the sacraments themselves.

Although modern forms of technology and communi-

cation can help us in our work of evangelization catechesis, the Pontifical Council for Social Communication has reminded us that "Virtual reality is no substitute for the Real Presence of Christ in the Eucharist, the sacramental reality of the other sacraments, and shared worship in a flesh and blood human community. There are no sacraments on the internet" (The Church and the Internet, no. 9).

Although our encounters with others on the internet and via social media can be considered "real" in one sense, in the sacraments we encounter Christ in a personal and ecclesial way. It is never just a private experience but is always grounded in the life of the Church and this means that it must truly be personal, including the contact between the confessor and the penitent. While the convenience or ease of online celebrations might be appealing for many reasons, at heart, we always want to keep in mind the fullness of the Church's tradition and the meaning of the sacraments.

"Look at the mothers who truly love their children: how many sacrifices they make for them. They are ready for everything, even to give their own blood so that their babies grow up good, healthy and strong."

~St. Gianna Molla
