**Welcome to OUR LADY of GRACE!**

W elcome to all members and visitors who are joining us for the celebration of the Eucharist.

If you have been away from the Church for a little while or for quite some time, but now feel a tug at your heart calling you back to the Catholic Church, welcome home!

If you feel drawn to the Catholic Church yet come from another faith tradition - or have no faith experience at all - we are glad you are here!

The Catholic Church has been teaching truth since she was founded by Christ over 2,000 years ago. We offer ministries and service groups that help you to build friendships and serve our parish along with the greater community. We also offer life-long learning through our many faith formation opportunities for children and adults.

For baptized Catholics needing to complete their Sacraments of Initiation please contact Deacon John Sawaya at: [jsawaya@olg-church.org](mailto:jsawaya@olg-church.org). For those interested in joining the Catholic Church, please also contact Deacon John Sawaya. You can also contact him by using the "Contact us" link at [olg-church.org](http://olg-church.org).

WELCOME TO THE CHRISTIAN FAMILY!

**GROW:**

If you're anything like me, you probably hear today's Gospel and immediately try to identify yourself with one type of seed Jesus talks about: the seed that fell on the path, the seed that fell on rocky ground, the seed among thorns, or the seed in good soil. But have you ever stopped to wonder why the sower is throwing seeds so haphazardly? This is worth meditating on, too. I believe it says to us that God is generously offering his grace and his mercy to everyone equally, in all places, at all times. But we aren't all in a place where we are open to receive that gift. In those moments when we feel as though we're not bearing the fruit that we hope to, perhaps it's time to examine our spiritual surroundings and see if there is something we can change that might help us to be more receptive to God's grace. Perhaps it's as simple as checking out a faith-sharing group that can help us tend our

spiritual soil so it is ready to receive what God is doling out.

**GO:**

Our first reading from Isaiah speaks of the power and efficacy of God's word, comparing it to the rain and snow that come down and water the earth, making the soil fertile, helping the seed to grow

into a bountiful harvest that can be made into bread that nourishes. What we grasp from all of this is that God's word bears fruit over time. As evangelizers, it's important to consider that we often won't see fruit right away when sharing God's word with others. That word must take root, grow, and be cultivated. This process will take time, but the

long-term fruit is worth our sustained and patient effort as we nurture relationships of accompaniment with others.

**PRAY:**

There's a certain patience we must exercise when sharing God's word with others. When I find myself struggling with impatience – with myself or with others' slow progress – I often find solace in the prayer "Trust in the Slow Work of God" from Pierre Teilhard de Chardin, SJ, particularly these lines: Above all, trust in the slow work of God / We are quite naturally impatient in everything to reach the end without delay / We should like to skip the intermediate stages / And yet it is the law of all progress that it is made by passing through some stages of instability – and that it may take a very long time.

**PROFILE OF AD GENTES MISSIONARIES  
(for our upcoming missionary appeal)**

Ad Gentes Missionary Fathers, brothers, and sisters work in the following countries: Nigeria, India, Cameroon, Burkina Faso and United States of America. In the rural village of Jankasa, in the Catholic Diocese of Minna, Nigeria, we work with a Christian minority in a predominantly Islamic region. Our religious communities have become an "Oasis of Hope" among the poor and vulnerable, especially among those who have experienced religious violence, wars, poverty and hunger. We have school dropouts and street children, teenage unwed mothers, and elderly receiving care in our various schools and social centers. We provide alternative educational activities through literacy programs for adults and children, skills acquisition, vocational training, counseling, agricultural development, and health care. Most of our villages do not have access to clean drinking and cooking water. As a result, water borne diseases are very common and endanger their health.

We are asking for your support to dig wells (bore holes) to provide clean water for the communities we care for. We are also asking for your support in our efforts to provide a radio program to teach the English language and health awareness programs in the Koudougou diocese, Burkina Faso.

***"A missionary community of vibrant faith,  
hope and love."***
