Welcome to OUR LADY of GRACE!

Welcome to all members and visitors who are joining us for the celebration of the Eucharist.

If you have been away from the Church for a little while or for quite some time, but now feel a tug at your heart calling you back to the Catholic Church, welcome home!

If you feel drawn to the Catholic Church yet come from another faith tradition - or have no faith experience at all - we are glad you are here!

The Catholic Church has been teaching truth since she was founded by Christ over 2,000 years ago. We invite you to enrich your life through joining our parish family. In addition to our liturgies there are many ministries and service groups that help you to build friendships and serve our parish along with the greater community. We also offer life-long learning through our many faith formation opportunities for children and adults.

For baptized Catholics needing to complete their Sacraments of Initiation please contact our Director of Catechetical Ministry, Lissa Hutcheson, at (619) 466-5656. For those interested in joining the Catholic Church, please contact Deacon John Sawaya at (858) 869-5079. You can also contact them by using the "Contact us" link at olg-church.org.

Allergies

The first morning Mass of the Sunday or holy day will always be incense-free. The Sunday 11:00 am Mass will almost always include the use of incense.

Mindfulness of Others

Please silence all devices and refrain from using them during the liturgy. And, follow the California Department of Health guidance for use of face masks.

Third Sunday of Lent**Mass readings:****Ex 3:1-8a. 13-15****1 Cor 10:1-6, 10-12****Lk 13:1-9**

GROW: Several years ago, my family gave me a blueberry bush for Mother's Day. It has yet to produce a single berry. However, I can't bring myself to remove it, and today's Gospel encourages me to be patient (a Google search reveals that it can take several years for a blueberry bush to produce a harvest!). The parable of the fig tree shows us how patient God is with us. Like the fig tree, we may not bear fruit or feel as if we're growing spiritually, even as we enter the second half of Lent. Yet Jesus teaches us that if we nurture our faith through prayer and repentance of our sins, we can always grow and blossom. Like the gardener, we need to be patient with ourselves as God is patient with us.

GO: It strikes me that in the parable of the fig tree,

the gardener offered to cultivate the ground around it. Just as a tree needs

light and water and a little individual TLC, it needs

good soil. I think for us Catholics, that can be where our parish community and the broader Church come in. Through small actions such as greeting newcomers at Sunday Mass or volunteering in a parish ministry, we can become the fertile soil that nourishes not only our own faith, but that of the entire community. The 2021-23 Synod on Synodality invites us to share our faith and also to listen without judgment to the experiences of others. In doing so, we as a Church can grow stronger. As Pope Francis said in his opening prayer, "May this Synod be a true season of the Spirit! For we need the Spirit, the ever new breath of God, who sets us free from every form of self-absorption, revives what is moribund, loosens shackles and spreads joy."

ACTION: There are still seats available for the Synod for Synodality consultation at OLG. Please see the ad below to learn more and how to register!

Stoking the Lenten Fire

I think we all can acknowledge that there's a certain fatigue that comes over us all as we near the end of the Lenten season. Next week is Laetare Sunday, and I find that as soon as those pink vestments start coming out of storage, our collective motivation begins to wane.

I get that. Maybe you're fatigued — I am, too. Maybe you're doing well in your resolutions and devotions but you're in danger of coasting. Or maybe, like many of us this year or in past years, you don't feel that you have even really begun your Lenten journey.

Either way, chances are that the fire that was in your belly on Ash Wednesday is burning a bit low. All fires eventually do, once they consume whatever fuels them. So here we would do well to remember what fuels our Lenten fire.

Sometimes we make resolutions that have the appearance of being spiritual, but also have an earthly motive. We give up chocolate hoping to lose weight. We stop gossiping so our friends may like us more. There is nothing wrong with these sacrifices — just with their motivations.

As Moses removes his sandals to approach the burning bush, he sees that the fire burns brightly, strongly

— but does not consume. It is propelled by something inexhaustible, something which is not of this world.

Is your Lenten fire fueled by God? Are you daily surrendering yourself to the same voice that boomed from the bush in Genesis — the voice that commanded the Israelites to do what seemed like the impossible?
